

THE CITY LIBRARIAN'S CORNER

A brand-new school year means the start of programming at the Victorville City Library. We would like to invite you to come join us for Story+me, Kinder Prep, Blocks and Cars, Tutoring and Special Events.

The library has also restarted the Tech Sessions and ESL/Ci+zenship Sessions. For more information give us a call, 760-245-4222 or come and visit us!

Our 24-hour library Kiosk is now up and running at Sunset Ridge Park. This all-enclosed library holds 235 items that can be checked-out and checked-in. You must have a library card to use the kiosk.

My thanks to our members who are very involved in serving our FOVL. We are a small group with some very important goals. All members are needed to fulfill our mission of supporting our library and in building our children's reading literacy.

When called upon, I encourage you to volunteer for one of our tasks. Several of us are serving in two or more jobs.

In a world where everything is digitized and available at the click of a mouse, it would be easy to forget the value of our local library. Our Library offers much more than just books—it is a hub for community gathering, learning, and growth. Our library provides equal access to information and knowledge for everyone, regardless of socioeconomic status. So, the next time you are looking for somewhere to study or meet with friends, don't disregard your local library—it is an integral part of our society that deserves our support!

New Green Tree Library Update

Construction of our new library is on schedule and proceeding as planned. Renovation/construction will be completed by November, 2025. Installation of equipment, furnishings, books and other media will take place following completion with a Grand Opening scheduled some time in January or February, 2026. The Friends would be glad to provide a speaker regarding the new library to your group or club. If desired, send an email to foviclib@yahoo.com

Literacy affects a person's ability to fully participate in and contribute to our community.

About 18 % of the US adult population is functionally illiterate.
